

Fruitland School District Registration Information for 08-09

Fruitland School District has acquired a new web-based computer student information system called Infinite Campus. In order to determine that our data is correct for all students, we will need to start our initial registration at a central location

STEPS AND REQUIREMENTS FOR REGISTRATION

- STEP 1 - All students and parents will need to report to the **Fruitland Middle School commons** located at 800 S. Penn. Ave. before going to individual school buildings.
- STEP 2 - Parents or legal guardians will be required to fill out an enrollment form. To speed up the registration process, it is **strongly advised** that you fill out the form prior to coming to registration. On July 28th, you can download the form on the district's website homepage, <http://fsd.k12.id.us> or pick one up at the district office.
- STEP 3 - **All parents and/or students** will be required to show proof of residency. (ie: copy of power bill, land line phone, gas bill, trash bill, rental agreement) as they walk through the door. If proof of residency is accepted, then you will continue to a representative to enter/verify your information. Once completed with the centralized registration process, you will be given a stamp to proceed to your child's school.

IMPORTANT NOTES

- New students only – you will need to bring copies of the following: a **certified** birth certificate, social security card, immunization record, and proof of residency. (ie: copy of power bill, land line phone, gas bill, trash bill, rental agreement)
- A Spanish version of the registration process and enrollment form will be available at the district office and at the central registration location.
